Recruitment Coordinator  
Rubrik – Bengaluru

Dear Sir/Ma'am,

I am very interested in the Software Engineering position at Rubrik, Bengaluru. I am a Master's student at National Institute of Technology, Calicut.

I have a keen interest in Data Structure and Algorithm. My problem solving skill is my strength that makes me an ideal candidate. I have done ample code on online judge. I have written all the skills, project work and technologies that I have used, on my resume.

I am confident that my experiences, skills and strong interests in the goals of Software development have prepared me to be a strong candidate for your organization. I will look forward to discussing my qualifications with you. Thank you for your time and consideration.

**Sincerely,**

**Yogendra**
